Ralls County Commissioners:

Thank you for your very important role in the enlargement of H/F Lot #10 on Madden Drive to make Joanna Trail accessible for those who want to be able to use and maintain it. I understand also that this improvement has met an additional need in that Monroe City School District now has an adequate turn-around for buses.

Back Country Horsemen of Missouri is a service organization that works with land managers to keep multi-use trails open by assisting with maintenance, and providing education of trail users. The partnership of Back County Horseman, COE Mark Twain Lake managers, and Ralls County Commissioners has resulted in an improvement for the benefit of many.

Enclosed is check #1502 which is the amount that was pledged by Back Country Horsemen of Missouri to this project. Your recognition of this need, and then being a major player to accomplish it is much appreciated.

Sincerely,

**Mary K. Church, Trail Master
