Jena,

I have attached HNB's written bid. I apologize but I'm not going to be able to make it to the meeting Thursday morning. I was out of the office for a few days and am working on getting caught up on things which at this time isn't possible. If I need to send this on to someone else just let me know.

Again please give my apologies for not being there to present the bid. With everything going on I am trying to limit places I go and we have just been so busy it's been hard to keep up with everything.

Thanks,
